### **To whom it may concern,**

I have much stringent requirement for my staff. Most of the agencies are almost unable to meet my expectation. When my colleague introduced **SOUTH GATE** to me, I was amazed that **SOUTH GATE** not only provided our well-trained employees, but also provided coaching and mentoring for the employees in advance, which made our operation smoother.

The purpose of writing this letter is to recommend **SOUTH GATE** to everyone and thank you for **SOUTH GATE** at the same time.

Best Regards,
